

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

Valerie Goemaere,

Plaintiff(s),
v.

Case No. 09-14106
Hon. Sean F. Cox

Community Housing Network, Inc,

Defendant(s).

ORDER DENYING REQUEST
FOR APPOINTMENT OF COUNSEL

Plaintiff filed her Complaint with a request for appointment of counsel on October 16, 2009. Typically, this court appoints counsel in a case only under exceptional circumstances and, in any event, only after the claims have survived a dispositive motion. There are no exceptional circumstances in this case that would warrant the appointment of counsel at this time, and plaintiff's claims have not yet been tested by a dispositive motion;

Therefore, the Court DENIES without prejudice, Plaintiff's request for appointment of counsel.

SO ORDERED.
